**Venue:**
The Workshop will be hosted on the University of Warsaw, Poland at:

Old Library
Main Campus
Krakowskie Przedmiescie 26/28, Warsaw
Poland

Further information about the venue place, accommodation and Warsaw can be found at the 34th EARSeL Symposium page:

or at the SIG Website

**Scope and topic:**
The 5th International Workshop of the European Association of Remote Sensing Laboratories (EARSeL) Special Interest Group “Geological Applications” will take place in Warsaw, in Poland, on June 2014 in conjunction with the 34th EARSeL Symposium.

The main subject of the workshop will be the use of remote sensing in Geology. Paper contributions are expected to focus on RS and GIS applications on:

- Geological Mapping,
- Tectonic Geology,
- Mine Monitoring,
- Hydrogeology,
- Geomorphology,
- Geohazards (Landslides, Floods, Earthquakes)

Full texts of all the presentations oral and posters will be included in the Proceedings CD of the workshop. Workshops proceedings are published regularly and have a unique ISBN number. The proceedings of the previous workshop can be downloaded from the SIG site. The authors should submit their paper until the 15th of June in order to be published in the Workshop Proceedings.

Selected papers presented during the workshop will be included in special issues of international journals after peer review. Authors interested in having their paper published in international journals have two options:

- EARSeL E-proceedings

- EARTH SCIENCE INFORMATICS (A special issue titled “Remote Sensing and Geology “Surveying the Geosphere”)
  [https://www.editorialmanager.com/esin/](https://www.editorialmanager.com/esin/)

The format should follow the instructions to authors for the respective journals, while all submitted manuscripts will be subject to peer review through the normal refereeing process and, if accepted, they will be published in the journals. More infos can be found on the SIG Website.
**Registration Fees:**

<table>
<thead>

*- a discount for a presenting author of an oral/poster contribution

The symposium fee includes Proceedings on CD ROM, the abstract book, coffee breaks, lunches and Icebreaker. Full registration fee (€ 200-500) covers the cost of the Gala Dinner. Students are warmly invited to join social events of the EARSeL & ISPRS Young Scientist Days.

25% must be added to registration fees if paid after 15th April 2014.

Presenting authors of symposium contributions, oral and poster, are requested to transfer the registration fee before 15 April 2014. Otherwise contributions will be removed from the final programme.

Please register for the symposium and workshops in the Conference Management System http://conferences.earsel.org/

Following registration a Payment Information is available for download, which shall be sent to the EARSeL Secretariat.

**Contact:**

For more information about the workshop feel free to contact:

the SIG Chairman
knikolakop@upatras.gr

Or the EARSEL Secretariat
secretariat@earsel.org
